Nets

Nylon Nets

Nylon net bags are soft, strong, rot-free, and utilize smaller mesh sizes on Aluminum frames and handles. This makes it suitable for our minnow and trout nets.

Kuralon fibers provide a soft cotton-like mesh that is more gentle on fish than poly, but remains strong as well as UV and rot resistant.

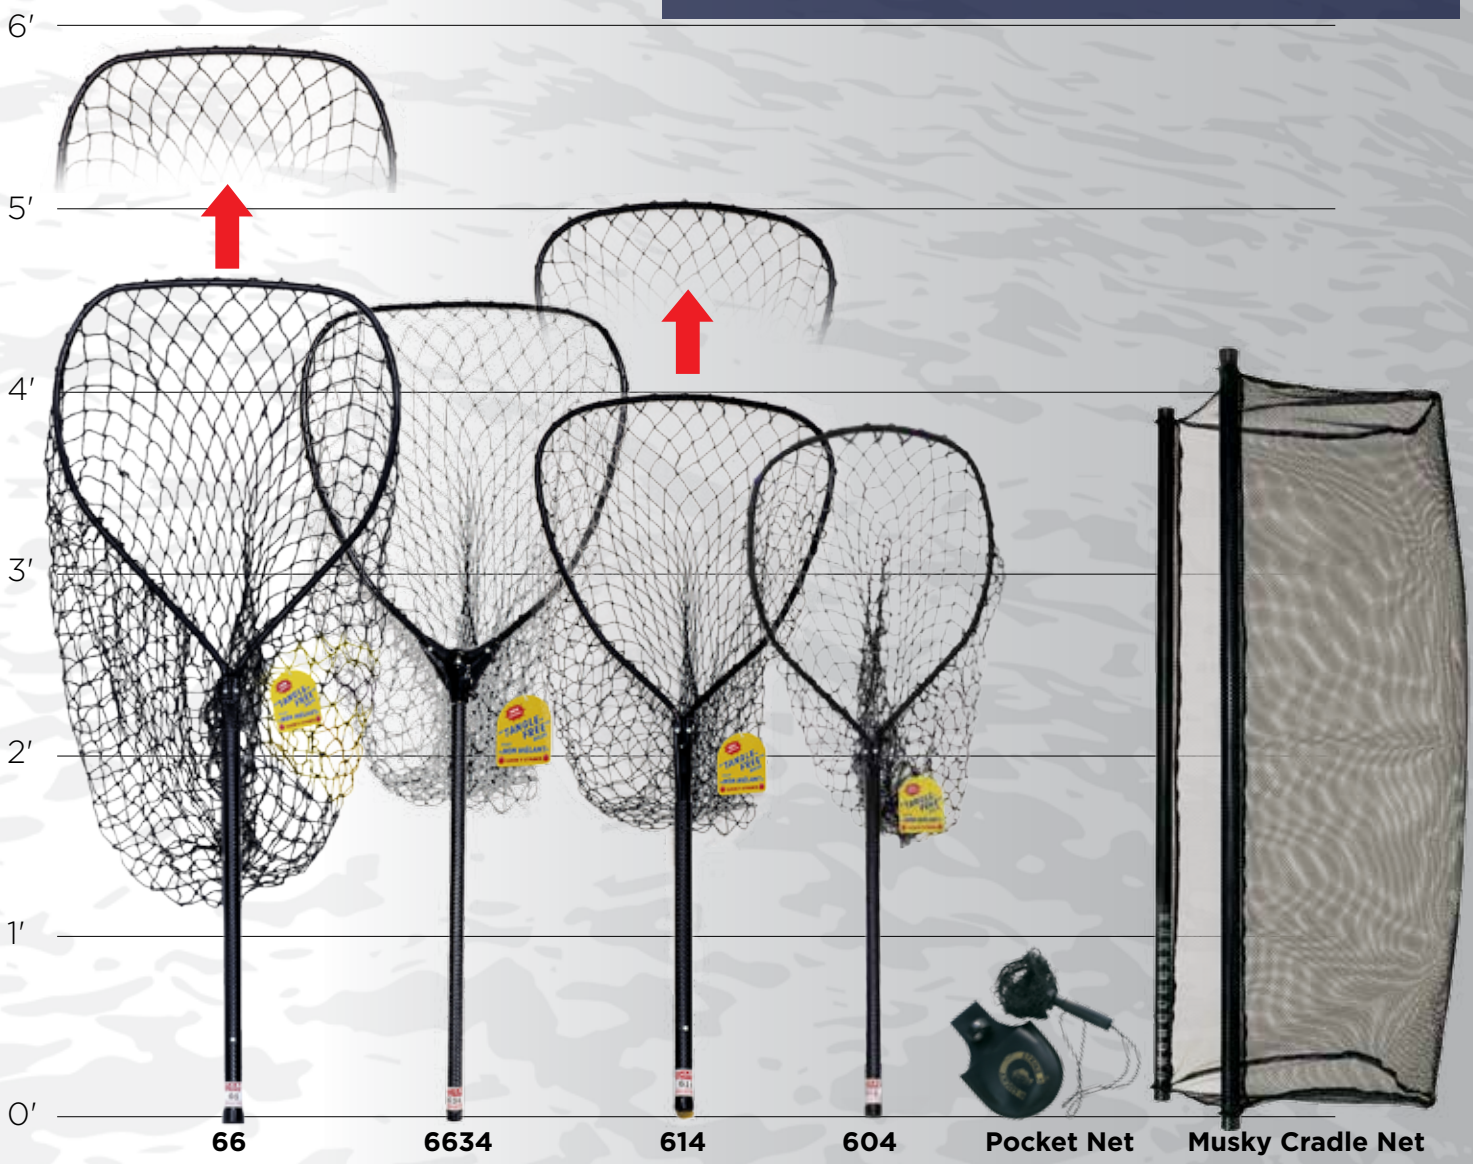

Tangle Free Nets

Tangle free mesh is dipped in natural rubber to help prevent hooks from piercing the strands. Lightest of the rubber/rubber coated net meshes.
